As stated in Section 7.5 of the Cornwall Inland Wetlands and Watercourses Regulations: All applications shall include the following information in writing or on maps or drawings.

- a. The applicant's name, home and business addresses and telephone numbers; if the applicant is a Limited Liability Corporation or a Corporation the managing member's or responsible corporate officer's name, address, and telephone number.
- b. The owner's name, mailing address and telephone number and written consent of the owner if the applicant is not the owner of the property upon which the subject activity is proposed.
- c. The applicant's interest in the land.
- d. The geographical location of the land which is the subject of the proposed activity and a description of the land in sufficient detail to allow identification of the inland wetlands and watercourses, the area(s) (in acres or square feet) of wetlands or watercourses to be disturbed, soil type(s), and wetland vegetation.
- e. The purpose and a description of the proposed activity and proposed erosion and sedimentation controls and other management practices and mitigation measures

which may be considered as a condition of issuing the permit for the proposed regulated activity including, but not limited to, measures to (1) prevent or minimize pollution or other environmental damage, (2) maintain or enhance existing environmental quality, or (3) in the following order of priority: restore, enhance and create productive wetland or watercourse resources.

- f. Alternatives, including Low Impact Development practices, which would cause less or no environmental impact to wetlands or watercourses and why the alternative as set forth in the application was chosen; all such alternatives shall be diagramed on a site plan or drawing.
- g. A site plan showing the proposed activity and existing and proposed conditions in relation to wetlands and watercourses and identifying any further activities associated with, or reasonably related to, the proposed regulated activities which are made inevitable by the proposed regulated activity and which may have an impact on wetlands or watercourses. (Electronic copies accepted with one hard c
- h. Names and mailing addresses of adjacent land owners.
- i. Statement by the applicant that the applicant is familiar with all the information provided in the application and is aware of the penalties for obtaining a permit through deception or through inaccurate or misleading information.
- j. Authorization for the members and agents of the Agency to inspect the subject land, at reasonable times, during the pendency of an application and for the life of the permit.
- k. A completed DEEP reporting form; the Agency shall revise or correct the information provided by the applicant and submit the form to the Commissioner of Environmental Protection in accordance with section 22a-39-14 of the Regulations of Connecticut State Agencies.
- l. Any other information the Agency deems necessary to the understanding of what the applicant is proposing, including proposed Low Impact Development practices.
- m. Submission of the appropriate filing fee based on the fee schedule established in Section 19 of these regulations.

I warrant the truth of all statement contained in this application and the supporting documents to the best of my knowledge and belief.

I authorize the members and agents of the Agency to inspect the subject land, at reasonable times, during the pendency of an application and for the life of the permit.
