

Dog Licensing in 2021:

The State of Connecticut requires that all dogs six months of age or older be licensed annually on or before June 30 in the town clerk's office in the town where the dog is owned or kept.

As of May 27, 2021, the town offices are still closed to the public. **There will be no in-person issuing of dog licenses this year.** Licenses will be available on June 1st.

Neutered or spayed dogs cost \$8.00 and male or female dogs cost \$19.00. Penalties apply for late registration after June 30th.

Please contact me if you no longer have your dog and I will update my records

If your dog was licensed last year, you can either renew the license by mail or check www.cornwallct.org (under forms) on June 1st for the link to renew the license online. In order to renew online, you will need your dog's tag number from last year and your dog's rabies information must be current in my office before you go online to renew the license. There will be a \$1.75 fee plus \$.55 postage added per transaction - not per dog. Online renewal will only be available until July 31st.

If you have a new dog or if you failed to license your dog last year, you will need to license your dog by mail. Please send a current rabies certificate, a spay or neuter certificate (if not already on file), a self-addressed stamped envelope and a check made payable to Cornwall Town Clerk.
