2022 Vegetation Control Program

Dear First Selectman Ridgway:

Enclosed please find the 2022 Vegetation Management Plan (VMP) for the HRRC in accordance with the requirements of Connecticut General Statutes Section 22a-66a(j). Per the statute this VMP must be submitted to the chief elected official or board of selectmen of each municipality through which HRRC operates and maintains track. Additionally, this VMP has been submitted to the commissioner of the Connecticut Department of Transportation.

It is anticipated that herbicide application will commence after March 1, 2022 depending upon weather conditions and other factors.

This VMP provides details on the target vegetation and management methods for the herbicide application which will take place this year. HRRC is committed to its obligation to maintain its right-of-way in accordance with both state and federal safety standards. Vegetation management is an integral component of those safety efforts.

Please feel free to contact TEC Associates with any questions about this VMP.

Very truly yours,
TEC ASSOCIATES
